Customer Reviews

I thought the plots were enjoyable in the sense of basic story concept. However, the writing was overly simplistic to the point that this is really a book for a beginning English language learner, or a young reader. The sentences were short and choppy, and the imagery was poor. I couldn't really form emotional attachments to the characters. But, if you're learning English, and you like sweet romance, it's the perfect series.

I Am So Disappointed With These Author's Who Write A Good Story And Drop It Off In Thin Air. They Have Proved To Me That They Do Not Care For There Readers. I Will Just Stop Reading There Books. Shirley Ketcham

It was a good read . I liked the way the main characters were so good to each other. A. good clean story . I would recommend it to my friends..
