The BFG (Movie Tie-In Edition)

Synopsis

This beloved novel hits the big screen in a major motion picture adaptation from Steven Spielberg and Dreamworks Studios -- starring Oscar-winning actor Mark Rylance as the BFG! The BFG is no ordinary bone-crunching giant. He is far too nice and jumbly. It's lucky for Sophie that he is. Had she been carried off in the middle of the night by the Bloodbottler, or any of the other giants rather than the BFG she would have soon become breakfast. When Sophie hears that the giants are flush-bunking off to England to swollomp a few nice little chiddlers, she decides she must stop them once and for all. And the BFG is going to help her! From the bestselling author of Charlie and the Chocolate Factory and Matilda! From the Trade Paperback edition.

Originally published in 1988, "Matilda" was one of the last books author Roald Dahl wrote before his death in 1990. Most authors as they age become more cynical and dour. Think of the final writings of Dickens or Twain and how bitter they seemed in their late years. Then look at "Matilda". Here we have a sweet charming little piece of literature about a girl that is both good and interesting.

Creating characters that you identify intrinsically with is not only difficult but (in children's books) sometimes near impossible. Reading "Matilda", it becomes clear that Roald Dahl never lost his touch for creating wonderful original characters and situations. The heroine of this little book also carries its name. Matilda is incredibly intelligent, even as a small child. Living with her boorish

parents and oblivious brother, she teaches herself to read from the various magazine and newspapers lying about the house. Her parents are completely indifferent to their only daughter and it is only by playing small tricks on them when they've been particularly nasty that little Matilda is able to keep a hold on her sanity. By age five and a half Matilda has read all the children's books in the library and quite a few of the adult ones as well. On entering school for the first time, our protagonist comes face to face with a very worthy enemy. The Head Teacher, Miss Trunchbull, is the worst kind of dangerous violent adult. It is only through Matilda's cleverness that she is able to come to the aid of her teacher, Miss Honey, and save the school from the Trunchbull's insanity. As I mentioned before, Matilda is just the nicest kid ever. Intelligent without ever becoming pig-headed. Nice without becomes precious. She's just a swell child all around.
