Customer Reviews

My nephew loves kittens and loves Minecraft so this book was a no brainer for him. The fact that it is actually a great book from one of the few quality Minecraft Diary authors out there really sealed the deal for me to shell out the money for him though. I know there are a lot of books out there in this category so when you find an author you can trust to release an actual book with a great story-line instead of just a few pages or doing something to make it show more pages than what the book actually is, you know that when they release something it is going to be worth the money.

I chose this rating because the book was really good. What I liked about this book was the kitten and how he didn't know creepers are afraid of ocelots. ^† ^† ^... ^... ^... ^... ^ ^ i
disliked nothing

Ok this isn't the first time that I have said this but DIARY WIMPY ROCKS ^,, ^,, ^,, ^,, There
books always teach lessons and always include a funny and adventurous plot. I would get this book
for any kid or minecraft lover •† •† •† •°

The books by this author really keep me entertained. I enjoy them because they have an interesting,
entertaining storyline that actually makes sense, AND is original. PLEASE keep making more
bookz. as many as you can!!!

so first of all it was a truly great book. but if i were you (the author) i would not bribe costumers with
releasing a number two book free if you get fifty good reviews. i gave it three stars because of the
bribe.

Hey, this book is really good. I like how ambitious Slinky was. I like how Colin became slinky's
friend. Although i loved spot, i know your going to say i'm stupid but i cried when spot left to be free
:'(

It is very interesting how the author took a different perspective about minecraft. This book inspired
me to start playing minecraft

I love the book and all but why is it only for kindle??? I want to have it but I don't have a kindle. why
can you not buy it in actual book??? it stinks that I can't buy it!
