Always Forward (#9 In The Bregdan Chronicles Historical Fiction Romance Series)

Synopsis

Can America survive the struggle to rebuild? Historical fiction is my passion. I so love bringing history to life - the reason I dedicate most of my time to writing historical fiction books! Always Forward is the 9th book in the ongoing Bregdan Chronicles historical novel series. It's readers like you who have turned it into a worldwide bestseller. Thank you! Description: Carrie and Robert's dream comes true, but is Carrie strong enough to survive what comes next? Rose's school comes under attack by vigilantes. No one could have predicted what will happen next. Abby makes the choice to go to Kansas to fight for Woman Suffrage, and almost pays the ultimate price. Violence and hatred run rampant through the country as America tries to come to grips with 2,000,000 freed slaves. So many of the characters you have come to know and love face both challenges and joys in this turbulent time in history. Volume # 8 of the Bregdan Chronicles continues the sweeping historical saga that now encompasses the second year of American Reconstruction. ** How many books will be in the Bregdan Chronicles? You'll have to ask God about that... I intend to write these character's stories, one year at a time, for as long as I'm able to write. I'm passionate about bringing history to life through historical fiction. Since I'm amazingly healthy, that could be for a very long time! I don't like stories to end any more than you do. This one won't end for a very long time! Ginny Dye

Customer Reviews

When Ginny sent the email that ALWAYS FORWARD was available for purchase I immediately downloaded #9. I originally began with Book #1 and have grown attached to each character as I have read the series in order. I was impatient for this newest book to be published. I stopped everything in my life that could be stopped and began reading immediately and into early hours of the morning. When I read Bregdan Chronicles, I always feel as though I am a valued part of Carrie, Robert, Abby, Thomas, Rose, Moses, Annie, and so many others lives. I feel I am a part of their unique family. I enjoy laughing and crying with them. I rejoice in their joys and mourn with their sorrows. I worry with them regarding their concerns and fears. It is hard for me to accept that they are fictional characters because Ginny writes in such a way that I feel each person is real. Since I began the series a while ago, when old characters returned to Cromwell Plantation, I struggled with remembering their place in the story. I appreciate the way that Ginny quickly incorporates clues and memories in the discussions to help me remember them from the past. Just like at a family reunion, I am reminded about the person and how they fit into my memory of them. While reading ALWAYS FORWARD I felt like I was at a family reunion - where we get to share our joys, sorrows, pain, despair, acceptance, and above all LOVE with one another. Since my personal life is presenting similar struggles as those in ALWAYS FORWARD, I found the remarkable wisdom which Ginny weaves throughout all the Bregdan Chronicles series to be emotionally healing. I've made a note to myself to definitely read this book again when my time to mourn arrives to show me the way to emotionally heal.
