Excellent series on finances. Listen to it and verify it for yourself. This is not a get rich quick scheme, this is real financial peace brought through hard work and sacrifice.

I received my shipment quickly and in excellent condition. Dave's lessons will change your life. They changed mine about three years ago and now I am sharing them with my friends. Thanks, Dave!

Each disc is not very long but not too short either I guess. The information in these lessons is very helpful. Sometimes I think it would be better if they were DVDs because some of the things he talks about is apparently shown during the conference. I wish it came with the worksheets as well. Overall, these cds are very helpful.

bought this for Christmas, when I got it I was surprised that all the cd's were as they said scratch free. Loved the product it really has helped me out. Shipped really fast, and I would defiantly buy something else from the. Only reason I didn't give 5 stars is I think that is for something above and beyond but they really lived up to what they said the product looked like and quick shipping

This was not only enlightening but very entertaining. Although, I would not following his investing advice, he offers some great strategies for paying down debt.

Finding Dave Ramsey to be easy listening & helpful. Makes financial peace seem a bit more possible. I bought this set for my daughter after discovering him.

Stuff that should be common sense but for me, was not. There are some great tips and strategies in here as well.

-Love the Storage case:but even more love the info and the case is very handy! Dave Ramsey is very informative!
