Customer Reviews

Awesome combination with the Experiencing God expanded and revised book.

I found the 10 minute talks excellent and plan to listen to them in the car. Very calming. Henry has a lovely voice and puts his points over very clearly.

if you have a 10 min commute to work or school this is a great 12 day devotional for you. It reminds us that we are in a relationship with God.

Well crafted, anointed. It will cause you to seriously consider where you really are with your walk

with God. Deep and meaningful.

note..this is not the book Experiencing God, rather it is a Devotional about the principles covered in the book
