NKJV Audio Bible-58 CD Set

Synopsis

The much-beloved New King James Version comes to life in this fully dramatized audio product. The work is directed and narrated by Emmy award-winning actor Stephen Johnston, and includes a full cast of seasoned performers--some Tony Award winners. The full Bible is available in a convenient, durable, zippered carrying case with individual sleeves to protect each CD from damage and wear. The product is perfect for listening on the go or in your home.

Customer Reviews

The sound, quality and voice are excellent. The quality of the cd's is sub-standard. You can see the flaws in each disk. One even appears to have sand stuck under the plastic. Every cd has errors and skips or gets stuck. I would not recommend buying this set online unless you like going through the hassle of mailing it back and waiting for a return.

I am a senior and saved in order to buy this bible on cd. At first, I was very happy, as the content and narrator voice is excellent. Then, I began to notice the cds were skipping, then it became worse.....like an old broken record, then cd # 35 has nothing at all on it. That's when I stopped listening and started the process of requesting a replacement or refund. This is all such a hassle.

Perhaps the previous reviewer got a bad batch; my set has no defect. It works nicely for me, though I wish that the background music was just a bit softer.

The combination of alternating voices for different characters and background music helps to make this audio Bible a good listen for anyone. I found that going through the books on audio does a lot to refresh my memory and helps motivate me to go look into some topics in more detail. I would recommend this bible for anyone as an aid to reading your normal devotions.

I found this unpleasant to listen to; Johnston's narration is monotonous, boring and rushed, at a pace so fast that I could not absorb the narrative details while listening. Try Scourby's narration or Will Waggoner (from eBible); they are very pleasant, well paced and well done.
