Customer Reviews

IM A BIG FAN OF HEROBRINE BUT ALEAXABRINE JUST MADE ME A BIGGER FAN OF HEROBRINE. your mysterious fan, and lover, the legendary RUSSCRAFT08. I ANOY MY SIS IT IS SO FUN I NOW NO HOW YOU FEEL IT FEELS ASOME I JUST WANT TO MEET YOU PLZ. did you no that there is anather world? it is called Erth i wanna meet u PLLLLLLZZZZZ!!!

My DS said he understands Herobrine better now that he's read this book. He read it while eating breakfast and finished on the ride to summer camp-- about a 30 minute read. He says it should only be read by a. Minecraft lover.

Now this is more like it. "Diary" if you read this, some guy is writing bad books trying to claim he is you, so I wanted to bring that to your attention as well as your fans. This is what an OFFICIAL work of the author "Diary" looks like. The book itself was amazing. My nephew and I have heard the legends about the mythical Herobrine, so it was nice hear a story about what in my opinion is the "Bigfoot of Minecraft". We look forward to seeing more of your AUTHENTIC books and wish you the best in dealing with that impostor guy.

I liked this book. Reveal the true secret of Herobrine and how evil he actually is. I would definitely recommend this book to anyone even if they don't play Minecraft.

herobrine has always been a mystery to all minecraftians, and in this very special book you can experience the normal life of herobrine. I recommend this book to all people who love the experience of reading about herobrine!

I love the book! Although, the reason why I didn't give a 5 star review is because the book is too short. If your going to make the books that short, just make a series of them. But, overall I think the book is awesome, and I definitely recommend this book to kids 7 and up. But, THE BOOK IS AWESOME!!!!!! ^† ^ ^ ^ ^ ^ ^ ^ ^

This book was amazing! I'm glad someone wrote a book about the legendary herobrine!!!! This book was very realistic. I strongly recommend this book to any minecraft lovers like me. ^•

This book has been added to every category: Biographies, History, etc. That is category spamming.
