Just in time for the Olympics this summer! Athens, Greece: the first Olympic Games are about to take place, and the Pirate Cats have traveled back in time to enter the competition. The fiendish felines plan to win as many events as they can, and become legendary athletes. But these cats aren't exactly in playing shape! ## Customer Reviews

My daughter has read every book in this series. I've read quite a few and have to say I find them quite entertaining as well as cleverly written. They use lots of adjectives and adverbs which helped her when she was younger and learning to write sentences. Now, at 9 years old, they have become a beloved read. The fabulous illustrations are simply icing on a cake.

I bought this for Xmas and didn't realize until months later when my child started to read it that every other page was blank. Imagine reading pages 1-2 and then turn the page and 3-4 are blank, then

the story resumes with page 5-6, but no page 7-8. It was like this in the entire book! Thank goodness was understanding and issued a credit even though the refund date passed.

I would give this book 100 stars if I could!!!! promise you that any Geronimo Stilton fan will love this graphic novel!! It is a short book but it is a graphic novel.

geronimo and his friends stop them cats once again they save the first olympic .geronimo and his friends get the gold.while them cats get nothing.
