Customer Reviews

I rented this because there is no sense hanging onto a book that is guaranteed to change from one year to the next. If your course requires the software to use with this (Connect), you may need to purchase it separately since the rental did not come with an access code...but I still saved \$100 in the end by renting.

Solid book. I just don't like its obscene cost and the fact that tax law changes every six months so the resell value is nonexistent.

it is a good condition.

All was awesome
