Every Day I Pray

Synopsis

Just in time for Christmas, bestselling author Iyanla Vanzant presents a hardcover gift book of the personal prayers that have sustained her through her life. EVERYDAY I PRAY is a collection of prayers culled from Iyanla's personal journals with ten beautiful black and white photographs of Iyanla at home with her family. While these are prayers, this is not a Christian book. As in all of Iyanla's books, she talks about a higher spiritual power with many different names.

Prayer is so personal and so customized to the individual that it is never wrong. Iyanla simply presents her prayers to the reader to inspire, ignite and facilitate this need that has existed since the beginning of the world. This book can be studied alone but it is fun and more powerful in group study. Find committed friends and read it as a book club book as my group Living Prayer group is doing. It will change your prayer life. It will change the power within you!

I received this book as a Pollyanna gift from a co-worker last year and this is one of the best books I've read. I was unable to put this book down for the past two weeks because of the beauty of its words. The inspirational prayers cover a variety of topics that I can apply to certain situations I've gone through in my life. I've gained a better understanding to how to deal with those issues with the letters written by Iyanla. Thank you so much, Iyanla, for another wonderful book!

This book is an incredible book of prayers. When I've needed encouragement, I've turned to one of

the prayers and have been lifted. I have no problem with with the male/female references. God is a spirit...they that worship...My young daughter reads them and is helped by them too.Sometimes what I can't put into words what's deep in my spirit, Iyanla's prayers become my own and I'm empowered.Excellent book.I love the ending of each prayer... "And so it is"

Iyanla...Thank you for writing such a touching book. It has truly been a blessing to me! Finally, I feel a sense of peace in my spirit. I will use these prayers as affirmations in my life. May God continue to bless everything you do!!!

Every Day I Pray is a wonderful collection of prayers for many situations we all find ourselves in. I have been on a dedicated search to find a way to incorporate prayer into every aspect of my life, and am so thankful I found Iyanla Vanzant's books. Thank you Iyanla for putting into words that EVERYTHING we do/say/think is noticed by God and we should give it all to Him/Her in thanks. I especially like that Iyanla writes God as He/She, Him/Her, as I believe God to be a duality of both the male and female. God Bless and I hope you find what you need in this lovely book.

This book is a wonderful collection of prayers for all occasions, when you're feeling anxious, thankful, overwhelmed or confused. You can read it each day and say a prayer according to your life that day. Its a way to speak with God everyday and not necessarily complain or ask Him for something, but rather just talk with Him.Its small and light and you can take it anywhere you go.I bought this book because I wanted to repair my relationship with God. I went to Catholic School for 18 years and was very much at odds with what I was taught. But I knew that even if I didn't believe like a Catholic, I believed. And I wanted to be able to talk to God in a beautiful way. This book certainly helped me do that.Buy it, you won't regret it.

EVERYDAY I PRAY is a collection of prayers written by Ms. Vanzant to address the everyday trials and tribulations that one may face. This collection seemingly has a prayer for every situation that extends to touch just about everyone! In reading through EVERYDAY I PRAY, one will feel inspired and reflective, thankful and serene.Given to me as a gift, I picked up the book to casually peruse its pages. Let me tell you, there is nothing casual about EVERYDAY I PRAY. It is a powerful collection of prayers that has touched me. Ms. Vanzant has outdone herself once again!Reviewed by Nedineof The RAWSISTAZ Reviewers

I originally borrowed this book from the library but found myself using it so often during prayer & meditation I purchased it. Very nicely written and not overdone. I highly recommend this book if you are interested in focused prayer without all the "religiousness".
