Customer Reviews

I've enjoyed each book in this series. Each one is so different and written with a lot of heart and care. Cassandra had a big wake up call and then everything shifted. She saw how she treated every one around her. I recommend anyone to read this young or old.

Another great read from Samantha Price if you enjoy reading about the Amish read this story. I have read every series Samantha Price wrote they are great.

A beautiful well written story about a young Amish woman who finds herself in an awkward situation. I loved the ending but won't give to much away.

Great read. However, author should keep track of what she wrote. In Cassandra's first time at the house we are told the farm house is on one level. When the midwife comes you have her coming down the stairs from her bedroom.????
