I like this book very much, I took speedwriting in college and it refreshed my memory, I am learning it all over again i am learning at my own pace. very good book to have!!!

I recommend this book to those who are learning speed writing shorthand by Joe M. Pullis. The dictionary is a quick reference to a word(s) you want to write in shorthand. This book is NOT a "word definition" dictionary.

If you ever learned shorthand, this is a great refresher. I took a course in this years ago in school. I wanted to brush up on my skills and this dictionary did the trick. It has a ton of commonly used words and phrases, but it also has the "shortcuts" and general "rules" of taking shorthand.

This book helped me through my speedwriting class! So awesome! Fast shipping as well! Thanks to this book I got a B+ in the class.
