Customer Reviews

The female character seemed unrealistic, in not telling the male character how she felt, there by

causing herself much turmoil. That part of the story just seemed odd, but since it is not my story the writer can write it however she wants.

I like everything in this story! It has reiterated my belief that God knows more than we can fathom. That He has planned our life from the start of conception. Only good things follows to those who heeds God's will. Thank you again for a wonderful read!

Nice sweet story of love and conflict learning to speak out without fear. Enjoyed the story. Nice to have a story so clean and meaningful in caring about another one that leads to a life time commitment.

I love Sarah's stories. They always make me want to know and read more. I become a part of her stories. I sometimes get impatient and want to see the happy ending sooner. I tell all my friends about her books.

Emma is truly a blessing to her family and community. When John and Sarah comes into her life everything changes for her. Watching the relationship between these two grow is amazing. You can feel God working throughout this whole book. You won't be able to stop reading this book.

This was such a sweet story. Children can be so cruel with their words. I'm glad Emma found someone to make her life complete.

I would recommend this book to all ages. I loved the way Emma's dad took control of the situation and took Emma to see John ,to straighten out the mess they both had made of their love for each other. John had trouble expressing his love for her and Emma had troubles being overweight and thought John only wanted her for a housekeeper and Nanny.

The story was simple and sweet. I enjoyed the writing and the story very much. I will definitely be checking put more of Sarah Miller's books.
