"immensely enjoyable" • ForeWord Clarion Reviews "for children who enjoy lingering over pages full of magical creatures and whimsical details [...] told in simple and engaging words and imaginative pictures." • Kirkus Reviews "a fantastic book that has enchanted me" • Customer Review "We are in love with this book! [...] As an artist, I love love LOVE the art in this book, I think its not only beautiful, but perfect for children. My son spent a lot of time just studying every colorful page. We read it twice in the first sitting because he was so happy! He's not yet 1, so getting him to sit still for story time is tough, and this book was such a hit he sat through it with nothing but a big smile and lots of pointing to the stuff he liked on the pages. I highly recommend this book :) Get it get it get it!" • Customer Review "Written in a very simple way but with a profound message for both adults and kids." • Customer Review "I LOVED it. Lots of repetition to help 'lil ones get used to structure and words! Many different words being used to help them improve their vocabulary (or pick the best word!). Most importantly, it sends a good message about how being unique and different is good. I STRONGLY suggest you check this book out!" • ESLCarissa.blogspot.com "readers will emerge from this book feeling slightly more confident about themselves • whatever their size." • ForeWord Clarion Reviews Tags: Bilingual Children's Books, Bilingual Books, Emergent Bilingual, Bilingual Education, Foreign Language Learning, ESL, English as a Second Language, ESL for Children, ESL for Kids, ESL Teaching Materials, EFL, English as a Foreign Language, EFL Books, EFL for Children, ELL, English Language Learner, EAL, English as an Additional Language, Children's Picture Book, Dual Language, Foreign Language Study, ESOL, English for Speakers of Other Languages

## Customer Reviews

Very cute book. I read this a loud to a bunch of kids in my village, and they were enthralled. The pictures are adorable, and the dual-language format makes it good for English teaching. I wish there were more kids books of this quality in Indonesian.

I actually bought this book to learn bahasa and it's great! My 23 year old brain pretty much is a baby when it comes to new languages so I figured the best way to learn is to pretend you're a kid and go from there. Hopefully this technique will work!

Got this for my child. I love the illustration and the way the story is written. It's a great book to read to my child in Indonesian or English. I highly recommend it.
