Best Sellers Rank: #1,909,399 in Books (See Top 100 in Books) #143 inÂ Books > Business & Money > Finance > Financial Risk Management

Customer Reviews

I thoroughly enjoyed Steve's book, especially the many interesting and light hearted anecdotes involving him and his family. The advice on investing would have been more helpful if received twenty five or thirty years ago since it was a little over-whelming at this stage ----and age. Had I received it thirty years ago, I might now be working on my second or third million, instead of still struggling with the first. George N. Uxbridge
