Synopsis

Dwayne Michael Carter Jr. wrote his first rhyme at age eight. Lil Wayne still sets his own rules and does not let people tell him how to make his music. And he is rarely seen without a red bandanna.

Customer Reviews

It's good IG. I expected it to be bigger than that but it is a good book. It talks about Reginae (daughter) and also his other kids. It is a great book so I would say a five and shipping was fast for all of us so....if yours do sent get there within two days track your package or just check on it.

I bought this for a school project. I had to read a auto-biography or a biography about an American born person so I chose Lil Wayne and this was the perfect book for my project

Very interesting and informational!
