Synopsis

Three powerful radio productions from the BBC archives starring Ian McKellen, Ronald Pickup, and Paul Scofield and a host of celebrated acting talent . These three legendary plays, performed by some of the best-known theatrical actors of the 20th Century, are the perfect way to commemorate England's greatest dramatist. Macbeth, the notorious "Scottish Play," is a gripping tale of vaulting ambition, witchcraft, madness, and murder that has kept generations of audiences spellbound. Customer Reviews

This is a great set of three of Shakespeare's best-known works. The sound effects are often over-done (too loud and go on too long) but the vocal acting is excellent. I hope more of these recordings are released.
