Customer Reviews

I did enjoy this book. However, I have some advice for the author for any future books. First, every character in the book was a boy (or man) and I find it more interesting to have boys and girls in a story. (Girls play Minecraft too) Also, it makes more sense to have one common enemy throughout the whole story. And I had a hard time understanding how you got to the End. But I still like this book a lot. If I could have, I would have given 3 and a half stars instead of just 3.
