Customer Reviews

The material on the CDs is simply great! These guys were pioneers in something that has become so rare these days, intelligent, non-ridiculing, non-mean spirited, profanity laced humor. Indeed radio today with the exception of college stations, Pacifica Radio and some community radio is all programmed from a corporate headquarters in New York or L.A. or somewhere and shows like Bob and Ray's aren't even possible now. I'm so happy that so many of their shows were recorded and have made it onto this series of CDs. Unfortunately the packaging to ship this to me sucked. The CDs are all OK but the 4 CD case arrived completely shattered.

Great old Bob and Ray shows.
