Customer Reviews

the baby ordered this with out me knowing!

Great

My grand daughter down loaded this game. I must say it held her attention for hours and it was not a crash bang high stimulation game. Which get her all wound up. It is exciting but not to the point that she is on overload mode as some of these games that are available for kids. I truly appreciate that cares enough to have these kid videos/ games for free for our children to learn non violence behaviors. I would highly recommend this for a child between the ages of 4- 6 as my grand child is 5.
